The circulation of the DAILY NEWS is steadily increasing and on Monday passed the 500 mark by a clear majority of 100. Monday's edition of the paper was exhausted fifteen minutes after the last form was off the press. 600 for a daily in a city the size of Daytona is a very creditable showing and is evidence that the public appreciate our efforts. It shall be our aim to build the circulation to a still higher figure and to accomplish this will make it better and better each day.

## Daytona Daily News

PUBLISHED DAILY EXCEPT SUNDAY.

ISSUED FROM JANUARY 1 TO APRIL 1, AT DAYTONA, FLORIDA, BY

GEO. F. GROUCH, EDITOR AND PROPRIETOR.

Subscription—by mail, \$1.00 for the season. By carrier, 25 cents a week.

Entered as second-class matter January 1, 1891, at the post-office at Daytona, Florida, under Act of Congress of March 3, 1879.

### Contributed.

It was my privilege, as well as pleasure, to hear young Mr. Carpenter, pastor of the Christian church, in his introductory sermon to his present charge, on last Lord's day. He is a young man of rare ability, having won, I understand, oratorical contests, both in Kentucky, his native state, and Tennessee, and it is not difficult to reconcile one to the truth of such a statement on hearing his masterly addresses on these occasions.

He seems peculiarly fitted for his high calling, possessing as he does a charming personality, a full, round, well-modulated voice, a purity of diction and a zeal for the cause of Christ, summing up all the requisites for a successful minister of the Gospel. He deserves to meet with a hearty support.

### A Delighted Hearer.

### Two New Residences.

On the north side of Magnolia avenue, near Beach street, is now being built a cottage, the property of J. H. Barnes, of Cedar Rapids, Ia., by Contractor W. D. Bradshaw. This cottage, when completed, will be one of the best on Magnolia avenue. There will be four rooms and bath upstairs and on the lower floor there will be a large reception hall, parlor, dining room and kitchen.

On the lot adjoining this on the east, Mrs. C. C. Whitten, of Cedar Rapids, will build at once a similar cottage. Mrs. J. H. Barnes is a daughter of Mrs. Whitten.

Mr. Barnes stated to a DAILY NEWS reporter that he expected to spend most of his time in Daytona and would probably be away not more than a couple of months each summer.

### The Long Pickets Company.

This Company will be at the Opera House tonight, Friday and Saturday nights. On Saturday afternoon they will present Cinderella at a matinee.

This Company has been here before this season and the plays presented proved highly satisfactory to the audience which greeted them. If the weather proves good they will undoubtedly have a large audience at every performance.

Mrs. C. L. Lockwood, wife of the general passenger agent of the G. R. & I. Railroad, arrived yesterday and is a guest of the Fountain City House.

Walter Matthews and wife left for their home at Oklahoma City this morning.

The two valuable cups won by F. Sunderman and Harry Thompson are on exhibit at McCoy Bros' garage.

Capt. C. H. Spence has lost a copy of Puterbaugh's Chancery, and would be very much obliged for information leading to its recovery.

S. H. Gove is still confined to his house. His many friends hope to see him around soon.
